

UN Disaster Risk Reduction Focal Points Group

Work Plan (updated Nov 2020)

Jan 2020 - July 2021

Action	Sub-Activity	Lead	Partners	UN Plan of Action Link
1. Implementation and monitoring of UN Plan of Action on Disaster Risk Reduction for Resilience				
1.1 Provide substantive reporting to the UN Plan of Action Results Framework	1) Reporting by all UN entities in 2019 and 2020 2) Prepare progress reports	UNDRR	All UN entities	
1.2 Encourage integration of UN Plan of Action Results Framework Indicators into all UN entities' monitoring and reporting frameworks.	1) Mapping of related indicators in organization's Strategic Framework 2) Explore the possibility to integrate UN Plan of Action Results Framework indicators into the organizations' Results Frameworks and inform UNDRR	UNDRR	All UN entities	Result 3.1 UN entities integrate risk and resilience in their corporate policy and programming.
1.3 Promote the UN Plan of Action	1) UNDRR draft letter to promote UN Plan of Action 2) UN entities send letters to Regional and country offices 3) UNDRR informs RCs about UN Plan of Action	UNDRR	All UN entities	Result 3.3: UN entities have an advocacy and communications strategy on risk-informed sustainable development targeting a larger engagement of stakeholders in their sectoral programmes.
1.4 Contribute to the preparation of the 5th and 6th annual UN SLG meeting	1) UNDRR share draft agenda and action points 2) UN entities provide comments and brief participants 3) UN entities ensure high-level representation	UNDRR	All UN entities	
2. Coherent support to Member States on Sendai Framework implementation with a special focus on Target E				
2.1 Support Member States in implementing Target E	1) Support the implementation of the Target E Coherence Approach 2) Promote and apply WiA on National DRR Strategies & its supplements 3) Support the promotion of good practices associated with the achievement of Target E.	UNDRR & UNFCCC	UNDP, UNEP, UNU, UN Women, WHO	Result 2.1: UN system has intensified capacity to support countries to integrate disaster and climate resilience into national, local and sectoral development strategies and plans and /or to develop/update national and local DRR strategies/plans aligned with the Sendai Framework.
2.2 Work with UNDRR on the Words into Action Guidelines (WiA)	1) WiA on Ecosystem-based DRR to be developed 2) WiA on Children & Youth to be launched 3) WiA on Preparedness to be launched 4) CADRI Partnership development of animated movie on do's and don't's in designing inclusive national and local DRR strategies to be finalized	1) UN Environment 2) UNICEF 3) OCHA 4) CADRI secretariat	UNDP, UNDRR, UNU, UN Women, WHO	Result 1.1 UN system policies, guidelines and inter-agency initiatives supporting the implementation of the Sendai Framework, and more broadly the 2030 Agenda for Sustainable Development, are risk-informed and contribute to reducing existing, and prevent future disaster and climate risk, and strengthen resilience.
2.3 Undertake a joint study on the status of gender equality and women's leadership in DRR	1) Draft Concept Note for resource mobilization & Consultant ToRs 2) Draft study 3) Disseminate findings	UNFPA, UN Women	UNDRR, TBC	Result 1.1 UN system policies, guidelines and inter-agency initiatives supporting the implementation of the Sendai Framework, and more broadly the 2030 Agenda for Sustainable Development, are risk-informed and contribute to reducing existing, and prevent future disaster and climate risk, and strengthen resilience.
3. UN capacity for common risk assessment and analysis				

3.1 Continuation of development of guidance on Integrating DRR in UN Sustainable Cooperation Framework and Common Country Analysis	1) DRR FPG to review the draft and final version of the guidance 2) UN entities promote guidance at national level and with Issue-Based Coalitions at regional level, ensuring close link with roll-out of Resilience Guidance	FAO/UNDP/UNDRR + Co-Chairs of IBCs	UNEP, UNESCO, UNDCO, UNFCCC, UNFPA, UNICEF, UNOCHA, WFP, WHO	Result 2.3: Risk and climate information informs UN Sustainable Cooperation Frameworks (Cooperation Framework).
3.2 Integration of risk considerations in the Humanitarian Programme Cycle	1) Global consultation to develop a guidance 2) Application in at least 3 countries 3) Promote use of guidance in HPC process and beyond	UNDRR	OCHA, UNDP, UN Women	Result 2.2: UN system has strengthened capacity to effectively support national and local communities in early warning, preparedness, response and recovery.
DRR from UN coordination mechanisms for COVID-19 to ensure a UN systems approach to reducing risks and building resilience to a broad scope of hazards, including biological	1) Develop ToRs 2) Develop Lessons Learned Document 3) Review and Finalization 4) Dissemination plan development (including webinar)	WHO, UNDP, OCHA, DCO, UNDRR	TBC	Result 2.2: UN system has strengthened capacity to effectively support national and local communities in early warning, preparedness, response and recovery.

4. Promote the availability and monitoring of sex, age and disability disaggregated data

4.1 Promote data disaggregation in the Sendai Framework Monitor - Lessons learned and challenges	1) Share lessons learned and challenges regarding data disaggregation 2) Identify next steps that need to be undertaken to enhance and scale up data disaggregation for the full range of hazards and in a coherent way with other reporting mechanisms	UNFPA, UNICEF, UN Women		Result 1.2 UN system has supported countries in monitoring the implementation of the Sendai Framework ensuring coherence with the monitoring frameworks of the Sustainable Development Goals, Paris Agreement, the New Urban Agenda, the Addis Ababa Action Plan and other international frameworks.
